**HDS Tooth Fairy Fun Day
Hawaii Children's Discovery Center
Sunday, February 2, 2025
10 a.m. - 2 p.m.**

Honolulu, Hawaii — Why do baby teeth fall out? And can you up the amount you leave under my pillow in exchange for my teeth?

The HDS Tooth Fairy will be ready to respond to these and many other questions from keiki at the HDS Tooth Fairy Fun Day at the Hawaii Children's Discovery Center, 111 Ohe Street in Kakaako, on Sunday, February 2, 2025, from 10 a.m. to 2 p.m. This family-friendly event is sponsored by Hawaii Dental Service (HDS), the state's leading dental benefits provider, to commemorate National Children's Dental Health Month. This year, admission is free for all attendees, courtesy of HDS.

In addition to playful, educational conversations with the HDS Tooth Fairy, keiki can also have free dental screenings, play exciting oral health-themed games, and win prizes.

Children and their parents, grandparents and other family caregivers can learn how to brush and floss keiki teeth properly and find a dentist to visit for regular check-ups to start good oral health habits early in life and maintain a lifetime of healthy smiles.

"The HDS Tooth Fairy Fun Day is a wonderful opportunity to help our keiki develop positive associations with dentists and practice good oral health habits," said HDS President and CEO Dr. Diane Paloma. "We are hopeful that our signature outreach event will inspire our keiki to prioritize oral health and perhaps even spark an interest in one day pursuing a career in the dental industry, where they can serve our local communities."
